NO CHANCE OF  
BIG FIGHTCABLE WILL BE AD.  
FOR HONOLULU GAMEAuthorities Would Not Allow Match  
to Be Pulled Off Here Even if  
There Was Any Chance of It  
Coming This Way.

No matter if there is no chance of the Jeffries-Johnson fight being brought off in Honolulu. The offer, at any rate, has been cabled to San Francisco, and from there the news will travel all over the world. Hawaii is on the map now as far as boxing is concerned, and the promoters of the scheme deserve thanks for the advertisement that the cable will prove to be to Honolulu.

Two well-known men connected with the cable, and the following message was sent to W. W. Naughton, the famous sporting writer of the Examiner: "Will you try and fix Jeffries-Johnson fight? Honolulu a good place for fight; have full authority to grant permission. Dictate your own terms. Please give this matter your personal attention. Cable Western Union Code."

Although there is no possibility of the offer being accepted, and, besides, the authorities here refusing to consider for a moment the issuing of a license for the fight, the message has gone abroad and Hawaii is on the map for sure.

Some months ago, when offers were being made for the right to pull off the big fight, the idea of cabling an offer of \$300,000 was hatched out by some sports around town. No deposit had to be made, and the Honolulu offer would have appeared side by side with the others that were printed some time ago. However, the cable was never sent, and Honolulu lost a chance of a boost in the sporting line.

Next Tuesday the sports of this city will be able to see Tommy Burns, onetime champion of the world, in action, and he and Laug should make an exhibition bout interesting enough.

As announced in yesterday's Bulletin, there are several minor stars of the pugilistic world on the Marana, and at least one good fight should be staged in addition to the exhibition match. The people, although glad to see the ex-champion at work, will long for a real stoush act, and it would be wise if those handling the affair arranged for at least one preliminary to the big bout.

## Sentinel of Grand Junction.

The ball players of both teams stood in a semi-circle about the wedding party while the ceremony was performed, and then started their own share of the proceedings—a baby carriage, filled with flowers, was passed through the grandstand, and the generous and well-wishing admirers of the popular ball player chipped in liberally with dollars and halves until the buggy was well loaded when it was presented to the newly-married couple.

The bride, who is a remarkably pretty girl, was gown in white with white hat to match. The groom looked stunning in his conventional baseball uniform.

Cheers and congratulations were given in generous measure to the young people, the game was resumed, Foster swatted the sphere for a two-bagger, and the game was on as if no important event had interrupted.

A handsome financial gift was also presented to the happy pair from the Grand Junction Baseball Association.

The Fighting Fifth polo team will do things this year, and already they are thinking of having some practice games next month. The Fifth are a fine bunch, and a trip to Lelueha is one of the most enjoyable possible—especially when the hospitable officers invite one in to "see the wheels go round."

Sam and Dr. Baldwin, Leman, McCriston and Grace were among those present at Moanalua yesterday afternoon, when the polo men turned up for practice. It was too bad that a match could not be played owing to the rain having made the ground so soft.

## TRAP SHOOTING.

GUN CLUB HAS  
FINE EVENTMAJOR LONG PLACES  
NAME ON TROPHYChampion Harvey Gets Into Second  
Place—Odell Makes Third and  
Is Improving Rapidly—Many  
Present at Shoot.

Yesterday afternoon at the Kakaako traps, the fifth weekly cup shoot of the Hawaiian Gun Club was brought off, and it resulted in a new name being put on the trophy. Major Long, who shot in good form, grassed 22 "birds" out of 39 shot at, and thus beat Harvey, who accounted for 18 out of 29.

The winner broke eight clays at unknown angles, and fourteen at known. He would have put up a fine record if he had done as well at the Leggett trap as he did at the known angles.

Harvey brought down everything he fired at at the Leggett, but then, strange to say, let two birds get away from him at the known-angle trap. The champion has two legs in for the cup, and only required a win yesterday to become the owner of the trophy.

Major Long had a handicap of ten extra shots, and he is getting into such good form that he will have to have the advantage reduced. H. B. Odell, the well-known automobile man, hit sixteen and missed twelve birds, and took third place in the shoot. Odell did a lot of field shooting in the States, and as soon as he gets more accustomed to trap shooting there will not be many of the handicap men who will be able to defeat him. He broke the same number at both traps and eight out of fifteen was the best he could do.

White brought down nine clays at the Leggett and seven at the known angles, and showed promise of doing better in time. Vincent could only hit fourteen yesterday, and lost a chance of getting a second leg in for the cup. M. C. King was last on the list, and he dropped nine birds—five at unknown and four at known.

The weekly cup shoot attracts a lot of attention, and every Wednesday there is a gathering of gunners at Kakaako. The shooting is good as a rule, and the work of Harvey and one or two others is a treat to watch. Austin, who formerly used to do some fine work at the traps, has not shown up this season. It is to be regretted, as it is a fine shot, both at the traps and in the field.

HAWAIIAN COWBOYS MAY  
GO TO CHEYENNE SHOWThe Annual Frontier Celebration at  
Cheyenne on August 24—Eben  
Low Trying to Arrange Things.

Hawaii should be represented at Cheyenne, Wyo., next August, and as all the best cowboys of the United States will do stunts, our local riders should be on the spot to beat them. And the Hawaiian cowpuncher can hand any of the mainlanders a package when it comes to riding or handling the lariat.

Chairman F. J. Bon of the annual frontier celebration committee has written to a Honolulu friend suggesting that a contingent of Hawaiian cowboys should be sent over to compete for the championship. Bon states that he is sorry to say that he does not think the Cheyenne people can do anything in regard to bringing the Hawaiian cowboys to their town, but that he hoped that the Honolulu people would be stirred up enough to finance a team from Hawaii.

The grandstands at Cheyenne were blown down by severe gales last year, and they have had to be rebuilt at a cost of about \$6000. In view of this fact the committee do not feel that they can afford to go to any great expense in paying the expenses of a band of Hawaiian cowpunchers.

Eben Low is figuring on making the trip, and he may take some men with him. It is possible that the Cheyenne people may help a little in the way of expenses of living, and Bon says that the people will treat the Hawaiians all right.

## DOTS AND DASHES.

George Dunn pitched a great game for the Saints in their game against the Kaulani nine in the final match of the grammar school league. He struck out 16 men and set a new record for school leagues. Branco as catcher also did well, and backed up Dunn in excellent fashion.

Yesterday afternoon seven polo players turned up at Moanalua field, but the ground was too soft for play.

Dr. Baldwin is an enthusiastic as ever about polo, and he is delighted to see some new men taking an interest in the sport.

Lieutenant Rodgers and Sergeant Pickett from Fort Shafter were at Moanalua yesterday afternoon and they had a little exercise on their ponies.
